The OHS Reunion Committee has been hard at work setting up plans for our 40th High School Reunion. We are trying hard to locate our fellow classmates and have been able to contact quite a few of them. However, with so many people discontinuing the use of a "land line" phone in their homes and using only cell phones, we are having trouble locating as many classmates as we would like to contact. If you have not received an e-mail or a phone call from someone on the phone committee, please contact one of the persons listed above.

We are asking that you return all registration forms filled out completely even if you will not be attending the reunion. We would like to update our classmate information for future correspondence. **This information will not be accessible to anyone but Reunion Committee members.**

For those of you who are attending, we'll be having a Silent Auction so please consider bringing something for this purpose. The proceeds from the 35th Reunion have allowed us to keep the costs the same as they were five years ago and in our economic climate that is something of a miracle! If you plan to donate something for the Silent Auction, please contact Liz Scott Roberson at (432) 366-1740.

Please join us for fun, laughs, and Memories.
